Chapter 6 Article VII of the Village of East Hazel Crest Code

Fences must be installed inside of the owner's property line (not on the property line).
Fences cannot extend beyond the front of the house. Post holes must be 42 inches deep and
in concrete. Finish side towards neighbor. Call for posthole inspection and inspection upon completion.

As owner of the property, for which this permit is issued and as the applicant for this permit,
I expressly agree to conform to all ordinances, rules and regulations of the Village of East Hazel Crest.
