

# Community Visioning Workshop

Join us at the **East Hazel Crest Comprehensive Plan** Community Visioning Workshop!

The Village is hosting a Community Visioning Workshop to introduce the planning process and to gain insight into the community's vision for East Hazel Crest's future. This is your opportunity to tell us what you think, before plans and recommendations are crafted. Everyone is encouraged to attend!

The Comprehensive Plan will address several topics, including land use, residential neighborhoods, commercial areas, industrial areas, and public and semi-public uses.

We also encourage you to complete the [Community Questionnaire](#). The questionnaire contains questions about important issues and opportunities facing the Village of East Hazel Crest that the Comprehensive Plan process should address. Your feedback is essential to creating a successful plan for our community!
