

## Wind Creek Chicago Southland | Informational Outreach Event, 02/18/22

Wind Creek Hospitality was found preliminarily suitable by the Illinois Gaming Board to develop a casino, hotel and entertainment destination in the south suburban communities of East Hazel Crest and Homewood, IL.

As we prepare to break ground, we remain committed to engaging local contractors and partners in this process. Attached please find a flyer for a virtual information session on Friday, February 18 from 3:30-5:00 p.m. Registration is required. All trade contractors, assist agencies, suppliers, vendors and non-trade contractors are welcome to join us and learn more about the project.

Please share this information with any of your constituents who are in the trades and related industries.

We look forward to expanding our relationships in the Southland, working closely with community leaders, local organizations and our residents to ensure that the benefits associated with this project are experienced by the entire region.
